

Alone Right Now

Me, no I don't get too lonely
Had my demons hangin keeping me company
I know them well
They know me better
God only knows
My scarlet letters
Carved on my chest
Like my skin but better
Draped in the dark
My comfiest sweater

I don't know how to stand in the sun so
Keep me closer, yeah
I don't want you to let me go, let me go

Don't wanna be alone right now
Don't wanna be alone
Don't wanna be alone right now
Don't wanna be alone

Can't sleep
I see their faces in my dreams
I feel the pain of family
If they can't breathe, then why should we?
How could we?
Can't go
Got too much here that must be done
Say their names even though they're gone
Til this place changes, don't move on
Can't move on

I don't know how to stand in the sun so
Keep me closer, yeah
I don't want you to let me go, let me go

Don't wanna be alone right now
Don't wanna be alone
Don't wanna be alone right now
Don't wanna be alone
