

Love Me When I Don't by Maria Tuadi

Somehow one line cuts a thousand times
Every damn word like a blowing mine
Taking your shots like you take my time (Double it)
And I know why
Yeah I know I
Take too much time to get out of bed (Double it)
Can't seem to get outta my fuckin head
You wanted me, but you got this instead (Double it)
And when it's bad, yeah, it's sad

Oh Lord,
But I'm trying
I'm sorry
I keep crying
I'm tired
Won't say I'm fine
you know how I be lying

So Stay behind the line
Save yourself from my-
My problems are mine
My problems are-
The only thing I need
Is for you to be there while I breathe

Hold me when I dance
Chuckle when I laugh
Take in all you can
Smile, hold my hand (Double it)
Kiss me when I grow
Hug me when I hope
Love me when I -
Love me when I don't (Double it)
Love me when I don't
Love me when I -
Love me when I -
Don't
Love me when I -
Love me when I -

Don't

Just love me when I
Love me when I
Love me when I
Love me when I don't
Just love me when I
Love me when I
Love me when I
Love me when I won't

I've made my mistakes
I'll get out my way
I'll get out my way
We've all seen better days
